Presidents Rosh Hashanah Message

It's a classic saying and as a keen photographer, it rings true to my thoughts; focus on the what's important, develop from the negative and if things don't work out, take another shot, but most importantly, capture the good times.

It has been a great year and I can honestly say that there is a growing "vibe" happening at the shule these days. Of course that's me focusing on the positive and turning the negative around. We have instituted a Shabbat roster which is working well. Special thanks to Denise Shulman for taking on this enormous task. One thing I can tell you all, and that is that Margaret Street Synagogue is here to stay and we are not going anywhere. We all need to take another shot at it and make it work. However, please encourage your friends and family to join the BHC. Without a further 30 members in this coming year, we will not make ends meet. That's not a huge task, but it will make a significant difference to our survival. I am sure you know someone who would love to be a part of this 150 year old institution filled with tradition and soul.

Lets have good times. See you over the upcoming chagim and you can even mark off 27 October as Shabbat Project Dinner again. Lets capture more fun.

Many thanks to my two vice presidents, Leah Edwards and David Paratz for the support in the year. We say farewell and many thanks to our Honorary Secretary, Michael Solomon. Tony Gariano, our treasurer certainly deserves a special thanks for his countless hours of dedication. To the balance of a great board of management and to Rabbi Jaffe, I say Kol Hakavod.

On behalf of my wife, Janine, for allowing me the time and support in this role, we wish you chag sameach and have a sweet sweet focused year.

Michael Arenson
